

Partiturausschnitt - A Dictionary of Maladies 4

Evening. The grounds of Broadmoor Asylum. Ruskin, now, appears to be addressing us, while Minor strides around, restlessly.

(erzürnt und erschöpft)

5" through

the walls now, next through the hollow spacing
between ceiling and floor. All inventions they have
at their disposal, untraceable poisons, electricity
in wires as fine as thread, flying machines to transport
me to Constantinople, that den of steaming flesh
where, again and again, I am forced to have relations
with thousands of women, one after the other.
Again and again, and all in the public view.
